Can there be a more fitting MEMORIAL
to a departed dear relative or friend than
an Endowed Bed or Cot in the Willesden
General Hospital?

It is difficult to think of anything more beneficent than the endowment of a Hospital Bed; or to picture a place more appropriate for a record to the memory of a loved one than that which is dedicated and constantly devoted to the service of the sick and the alleviation of suffering. Moreover, in a Hospital Ward, a Memorial Tablet with its inscription will be secure against disfigurement and carefully protected from the dilapidations of time.

Perpetual Endowment of a Bed £1,000, or a Cot £500
Naming, during life of a Bed £100, or a Cot, £50

Subject to the Regulations of the Hospital, persons endowing Beds or Cots as above have the privilege of naming such Beds or Cots, and of nominating patients to occupy them.

FORTY-NINTH ANNUAL REPORT

for the Year 1941

Responding to the need for economy in the use of paper and printing, the Report for 1941 is again much abridged.

1. WORK DONE.

The Hospital has been busier than ever. Out-Patient attendances increased by nearly 11,000 to a total of 82,000. The increase in Casualty attendances is particularly noteworthy, namely from 18,000 to 23,000. The daily average number of occupied beds was 80, compared with 70 last year, and a daily average number of 6 beds were occupied by Government patients.

The Out-Patient department returned to its former quarters following the completion of the new First Aid Post by the Willesden Borough Council.

The Hospital has now been graded a " B " Unit in the Fracture Service.

2. FINANCE.

Rising prices, costly replacements of equipment and plant, increased salaries and wages, war damage insurance, etc., caused a heavy increase in expenditure, and it is exceedingly gratifying to report that through the excellent work of the Appeal Committee under abnormal difficulties, increased grants from Contributory Schemes, substantial support from King Edward's Hospital Fund and Government payments, the revenue account is satisfactory.

Grateful thanks are expressed for the following bequests :—

Exors. of the late Mr. Alfred Fulcher Malloch : £1,000
to name the " Cricklewood Broadway " Bed.

Exors. of the late Miss Annie Maud Cross : £515 18s. 4d.

Exors. of the late Mrs. G. J. Furness : £100.

Exors. of the late Mr. A. E. Jobbins : £50.

Exors. of the late Mr. D. M. Spiro : £10.

6. COMMITTEES.

Congratulations are extended to Mr. G. W. Gibson and Councillor John Fernley on their appointment as magistrates, and we welcome the following new members:—

Council and House Committee: Mrs. G. W. Mortimer;
Mrs. C. de B. Thomson.

Council: Councillor Mrs. D. G. Hirst; Councillor Miss Ruby Freeman.

Appeal Committee: Mrs. F. R. Sturridge, Mrs. N. Olliver,
Mrs. E. Tanner, Mr. G. J. Steer, Mr. T. E. Gomm.

7. HONORARY MEDICAL STAFF.

The loyal and devoted work of the Hon. Medical Staff continues. High appreciation is expressed to the Chairman of the Medical Committee, Mr. F. W. M. Pratt, and to the Medical Officer in Charge, Dr. T. Pearse Williams, and all their colleagues, for their ready help at all times.

8. HONORARY STAFF CHANGES.

Mr. W. M. Dickson and Dr. L. K. Wills departed for military service, and the Rev. E. A. Pavitt left after thirteen years' service. Our good wishes accompany them. The vacancies were filled by Mr. Stanford Howard, the return of Dr. I. Muende, and the Rev. Graham H. Perry, Vicar of Willesden.

9. SENIOR STAFF CHANGES.

Mr. D. A. H. Tobler joined the Army, and Miss D. E. Ling was appointed Assistant Secretary for the duration of the war.

10. SPECIAL OCCASIONS.

On the 3rd of April, the Hospital was honoured by a visit from Lord Dawson of Penn, who inspected the Institution throughout.

Mr. C. B. Cochran, the world-famous producer (accompanied by Mrs. Cochran), Miss Jessie Matthews, Mr. Sonnie Hale, Miss Evelyn Dall, and "Geraldo," graced the Hospital Gala, which was declared open by Mr. Hector McMichael, of Messrs. McVitie & Price. Miss Hilary Hornby-Lee was chosen the Queen of Willesden's Women War Workers with her four Maids of Honour.

On the 11th of November a tablet was unveiled by the President, Lord Rochdale, and dedicated by the Lord Bishop of Willesden, naming the Nurses' Home "The Andrews Nurses' Home", in recognition of the long and devoted service, leadership and generous benefactions of Mr. and Mrs. John Andrews.

11. ACKNOWLEDGMENTS.

Grateful thanks are expressed to all who have contributed to the excellent results for 1941, amongst which are recorded :—

Combined Hospitals' Flag Day	£1,207
Alexandra Rose Day	£1,065
(The largest grant made to any Hospital.)			
Gala and Dance	£569
Bundles for Britain, Inc.	£482
Box Collections	£353
Bernhard Baron Trust	£150
War Weapons Week. Defence Bonds and Certificates for	£120
Kensal Rise Constitutional Club	£68

The continued interest and support of King Edward's Hospital Fund is highly appreciated and the efforts made by the Appeal Committee, Box Collection Committee, Ladies' Linen League, District Committees, Ladies' Working Party and Ladies' Entertainment Committee are gratefully recognised. Thanks are also tendered to the Honorary Officers—the Honorary Solicitor, the Honorary Surveyor, the Honorary Electrical Engineer, the Honorary Chaplains, the Honorary Treasurers, and to the Local Press, St. John Ambulance Brigade, the British Red Cross Society, Librarians, Blood Transfusion Service, Police and Fire Brigade for valuable help.

Last, but not least, the Council appreciates that the smooth working of the whole organisation is largely due to the loyal co-operation of every member of the Hospital's Nursing, Administrative and Domestic Staffs, who cheerfully overcome any difficulties, and it is with real pleasure that these facts are recorded.

12. FUTURE.

This brief outline demonstrates the Hospital's ability to perform its dual war-time responsibilities of providing an efficient service for war casualties and civilians. Rising prices cause anxiety, but the development of Contributory Schemes,

the establishment of the Middle-Class Provident Scheme and the continued support of the charitable public promise much for future financial stability.

During 1941, Willesden people have proved that they are not one whit behind their neighbours in nobility of spirit and zeal for good causes, and there is solid justification for looking forward with quiet and confident optimism to the future and the Hospital's fiftieth year of service.

H. NEVIL SMART,
Chairman.

PRIVATE WARDS

Fifteen Beds are provided for persons who, although of limited means, are able to pay the following fees for maintenance, in addition to medical fees.

The charge is 18/- per day for a Single Room ; 12/- per day for a Two-bedded Room. These rates include normal dressings and medicines, but the use of the Operating Theatre, *Special* Nurses and special treatments ordered by the patient's medical attendant, are additional charges.

Patients may be under the care of any registered Physician or Surgeon, whether attached to the Willesden General Hospital Staff or not. The Medical Officer in charge of the patient is entirely responsible for the treatment of the patient in the Private Wards.

Patients arrange with their Physician or Surgeon the fees to be paid for treatment or operation, and the fee for the Anæsthetist ; such sums are paid direct by the patient.

No patient can be admitted who is suffering from infectious disease, Consumption, Mental Disorder, Epilepsy, or incurable diseases which are unlikely to benefit by treatment, or those whose admission may be offensive to, or alarm, other patients, or women in an advanced stage of pregnancy (except in extraordinary cases, such as accident or where a surgical operation is urgently required).

As a temporary War-time measure a limited number of Private Beds are available for chronic patients, subject to certain conditions.

Application for admission must be made to the Matron of the Hospital (Tel. Willesden 6841).

IMPORTANT NOTICE.

Income Tax and Annual Subscriptions

ALL SUBSCRIBERS TO THE HOSPITAL WHO PAY INCOME TAX AT THE STANDARD RATE GIVE THEIR SUBSCRIPTIONS OUT OF INCOME UPON WHICH THEY HAVE ALREADY PAID TAX, BUT THE HOSPITAL CAN RECOVER THE TAX, THUS DOUBLING THE AMOUNT SUBSCRIBED ANNUALLY.

THIS EXPLAINS

how the Hospital may increase its income from annual subscriptions by over 100 per cent. without entailing any additional personal cost to subscribers and actually saving money for those subscribers who are liable to Sur-Tax.

Each Subscriber who completes the Agreement over-leaf and returns it to THE SECRETARY, THE WILLESDEN GENERAL HOSPITAL, N.W.10, will increase substantially the Hospital's income at **NO EXTRA PERSONAL COST.**

The Agreement is terminable by death, so that an estate will not be liable for subsequent payments.

A subscriber who is assessable to sur-tax will be entitled to deduct an amount as shown in column (3) below from the total income shown in the sur-tax return.

The Hospital will pay the necessary stamp duty on the Deed of Covenant and will send each year to the subscriber the required Certificate of Deduction of Income Tax.

The following Table shows the benefit accruing to the Hospital from seven-year agreements, with Income Tax at 10/- in the £. Any change in Tax rate will, of course, render the Table liable to alteration in accordance with such difference in Tax rate.
